Dear Madam, dear Sir,

Arendt & Medernach is delighted to announce the third edition of the **Arendt Young Leaders Days**, a forum which aims to provide an insight into the current and future European and Luxembourg business environment.

AYLD offers an opportunity to address a younger audience interested in shaping the future and provides a forum for participants to network and engage in dialogs on select key legal and business topics.

The **Arendt Young Lawyers Academy** addresses mid-level associates from our partner law firms with a view to offering an educational journey through various hard and soft skills essential to young lawyers working within an international environment.

The **Arendt Young Leaders Conference** will be structured around a series of panels featuring high-profile speakers from the business and legal worlds. This conference will address young talented professionals from Luxembourg and abroad.

The Arendt Young Leaders Days will take place **in Luxembourg from 30 May to 1 June 2018**.

We look forward to welcoming a representative from your firm at this event.
