Your experts on Luxembourg business in Europe
for the Asia-Pacific region

Arendt launches your business in Europe

About Arendt

Arendt combines the entire value chain of services dedicated to asset managers, banks, insurers, public institutions and private clients operating in Luxembourg.

A solid partner to develop in Europe

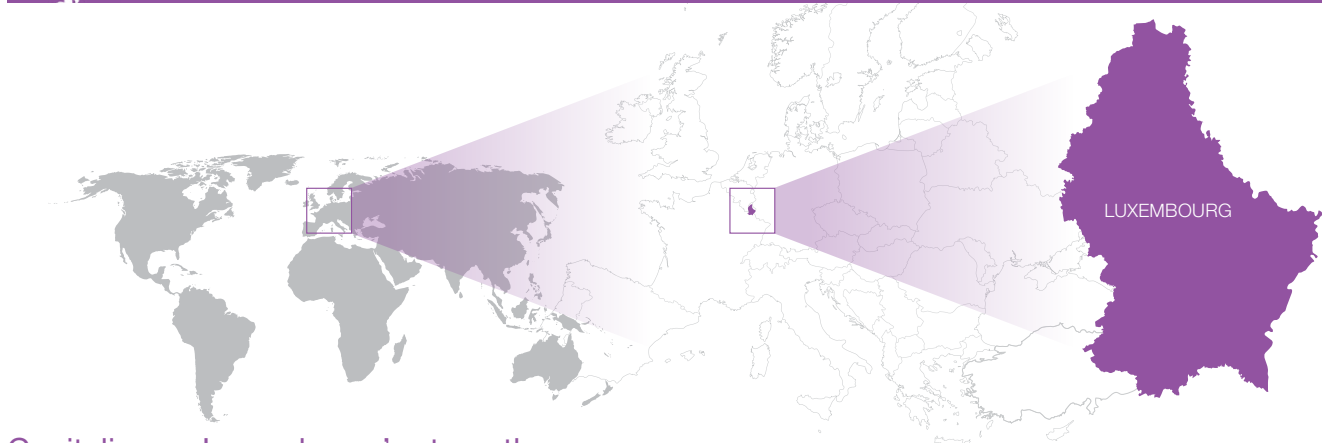

All of Arendt & Medernach's offices advise on Luxembourg law exclusively. We assist clients in setting up, and at every stage of their business activities in Luxembourg and on a cross-border basis.

Our team of experts focuses on the Asia-Pacific region, including Singapore, Hong Kong, mainland China, Taiwan, Japan, South Korea and Australia.

Let's discuss your project!

Luxembourg: Europe's leading financial centre

Capitalise on Luxembourg's strengths:

- a founding member of the European Union and home to a number of its institutions; located at the centre of Europe, it is an ideal portal to the continent
- a friendly and stable environment for business, investments, private equity, real estate, banking, wealth management, and development of multinational companies in Europe
- leading European cross-border investment funds centre. The jurisdiction allows easier passporting and efficient distribution in the EU and abroad
- top-tier banks, state-owned enterprises, fund management companies and multinational companies have established their

- European domiciles, headquarters or investment structures in Luxembourg
- various, flexible and innovative legal forms or structures for companies, partnerships or associations
- Luxembourg Stock Exchange is a world-leading platform for green, social and sustainable securities
- Luxembourg offers a competitive tax environment, with numerous exemptions for financial services and a commitment to transparency
- network of double tax treaties with 80 countries and regions, including China, Japan, South Korea and other APAC countries.

Arendt & Medernach is considered the
Leading Luxembourg Law Firm
by major legal directories:
Chambers & Partners | Legal 500 | Who's Who Legal | IFLR 1000
and, for more than a decade, our firm has also claimed more tier-1 rankings than any other law firm in the country.
