

General Introduction to Investment Funds

Objectives

This training aims at explaining to the participants the basic principles applicable to Luxembourg investment funds.

Content

- Legal and regulatory framework
- Available regimes and structures
- Establishment of an undertaking for collective investment
- Parties involved in the functioning of an undertaking for collective investment: management company, central administration, depositary bank, etc.
- Day-to-day “life” of an undertaking for collective investment: practical aspects

Speakers

Our speakers come from all over our specialised and complementary teams, covering all legal, regulatory, taxation and advisory aspects of doing business in Luxembourg. We invite you to check our training agenda on our website where the speakers are listed on each training session.

Target group

People in charge of fund administration service providers and professionals in charge of legal, regulatory and compliance functions in the fund industry.

Duration

4 hours.

Languages*

English, French.

* As the case may be, another expert in this field can provide the training in German.
