Arendt is pleased to invite you to our next webinar entitled "**News from the forefront of SFDR - what have we learned so far?**" which will take place on Thursday 17 December 2020 at 4:00 pm CET.

During this session, our experts will approach the implementation of the SFDR from several angles. They will discuss the perspectives of funds and managers, but also other service providers such as depositaries and central administrations agents.

With respect to the funds in particular, they will share some positive news about:

- risk disclosures,
- fund classification,
- form and timing of CSSF filings,
- amendment of KIIDs.

A recording of this webinar will be available after the event.

Feel free to forward this invitation to any colleagues or clients who may wish to attend.

Should you have any questions, please contact events@arendt.com

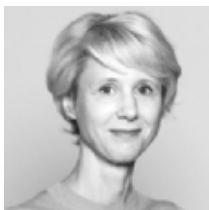

We look forward for your participation.
