Dear all,

Arendt Regulatory & Consulting is pleased to invite you to join a 45 minutes webinar session to be held on Wednesday 20 May 2020 on **"Compliance & Regulatory reporting – Outsourcing & Digitalisation to the rescue"**.

The session will be presented by **Stéphane Badey**, Partner and **Yann Fihey**, Director.

Our experts will address the different challenges faced by Compliance Officers in times of crisis; from AML and new regulation applications, to regulatory reporting requirements and how the use of digital tools may help to control the compliance of their regulated entity.

Our experts will present the features of our internet-based tool CAROL, which stands for "Compliance And Regulatory Oversight onLine", Arendt's efficient solution to help you address specific compliance issues or grasp new regulation requirements.

You can also forward this invitation to any colleagues or clients who may be interested in attending.

Should you have any questions, please contact events@arendt.com

Kind regards,

Arendt Regulatory & Consulting
