The webinar will take place on Wednesday 28 October 2020 at 4:00 pm CET time.

During this session, our real estate and tax experts from Arendt will role play and wear managers and initiators shoes to have a concrete discussion and walk through the main structuring questions as if they were planning the set-up of a new pan-European real estate fund:

- What are the legal and regulatory constraints from investors and to invest in certain EU jurisdictions (e.g. Germany, France etc)?
- What would be the most suitable type of vehicle in this respect?

REGISTER HERE_

- How to structure the vehicle to streamline capital and revenue flows in the most effective manner?
- How to organise the decision-making process in an optimised way?
- How can to organise the fees and carry flows?

A recording of this webinar will be available afterwards.
