

INVITATION - Arendt webinar

New model: the challenges of managing professional data in a private environment

In the framework of the Cybersecurity week, Arendt is pleased to invite you to a webinar on Monday 25 October 2021 entitled **"New model: the challenges of managing professional data in a private environment"**.

MONDAY

25 october 2021

5:30 pm - 6:30 pm webinar
6:30 - 7 pm - Q&A

In English
Via Webex

Arendt experts will explore the impact of the new model on cybersecurity and, will analyse the risks and ways of limiting them. They will be accompanied by two guests who are involved in these issues on a daily basis. The legal approach, along with regulatory and tech perspective will grant each company the ability to relate its own challenges to "the new model" we live in.
