With our solid track record and in-depth knowledge in advising all intervening parties facing difficult financial situations, from **investors and shareholders to creditors, through businesses and their board members, to receivers, liquidators and administrators**, our experts will answer the **"Top 5" questions** raised by our clients.

Panelists **Sébastien Binard** and **Grégory Minne**, Partners in our Commercial & Insolvency practice, will also discuss the following topics:

- What are the main duties of directors in the context of financial difficulties?
- When is a Luxembourg company bankrupt and what are the main consequences of a Luxembourg bankruptcy?
- Are reorganization proceedings available in Luxembourg?
- How could Chapter 11 proceedings opened in relation to a group with Luxembourg affiliates be recognized in Luxembourg?
- How could creditors enforce security interests or netting arrangements in the context of Luxembourg bankruptcy proceedings?
