Arendt & Medernach is pleased to invite you to a Brexit contingency planning seminar. This seminar is organised in collaboration with Freshfields Bruckhaus Deringer, London.

The conference will be resolutely practical in nature with the idea being to provide you with concrete examples and answers on what the impact of Brexit will be as regards the use and transfer of personal data, required authorisations for products and individuals, validity and enforcement of contracts as well as employment and immigration issues. Our speakers will be on hand during the seminar to answer any questions or discuss any concerns that you may have.
