\* free of charge

Good corporate governance remains key for the success and resilience of regulated and non-regulated companies, and is a valuable and effective shield against corporate liability risks.

That is why Arendt's Corporate Governance Centre is pleased to invite you to its 2022 webinar on **the current trends, challenges and opportunities observed in corporate governance matters**.

Our experts [Sandrine Périot](#) (Partner, Arendt Regulatory Consulting) and [François Warken](#) (Partner, Capital Markets) will address new governance-related developments for investment funds and listed companies, while [Emmanuelle Mousel](#) (Partner, Insurance and Reinsurance; Banking & Financial Services) and [Fouzia Benyahia](#) (Counsel, Corporate Law, Mergers & Acquisitions) will focus on good and bad practices observed in intra-group relationships from the banking, insurance and corporate law perspectives. [Stéphanie Maschiella](#) (Counsel, Tax Law) will give an update on the latest trends in tax governance.

The session will be moderated by [Carsten Opitz](#), Partner in our Corporate Law, Mergers & Acquisitions practice and Head of Arendt's Corporate Governance Centre ([corpgov@arendt.com](mailto:corpgov@arendt.com)).

The webinar will cover the following topics in particular:

- New approach and rules concerning the audit of IFMs and UCIs, including in particular the AML/CFT external report: what is the impact on the Board responsibilities?
- A corporate body under increased scrutiny: how to staff your internal audit committee
- Governance aspects of intra-group relationships: the dos and don'ts
- Tax governance today: towards the monitoring of ever more complex rules

This webinar is designed to be interactive and participants are encouraged to ask questions during the session, meaning you can maximise its added value and get the answers you need most.

Feel free to forward this invitation to any colleague or client who may be interested. Should you have any questions, please contact [events@arendt.com](mailto:events@arendt.com).

We look forward to your participation.

Kind regards,

The Partners of Arendt
