The current sanitary crisis is a challenge for all companies. Business is slowing down and concerns are growing.

The legal and business advisory experts of Arendt are pleased to invite you on **Tuesday 26 May at 4:00 pm CET** to the first webinar of a series dedicated to **Restructuring & Insolvency** considerations in the context of the current **economic crisis**.

Relying on solid track record and an in-depth expertise in advising all intervening parties facing situations of financial difficulties, from **shareholders to creditors, through businesses and their board members, to receivers, liquidators and administrators**, our experts will answer to the **"Top 10" questions** raised by our clients in the context of the current crisis.

Those questions will include matters such as mandatory filing obligations, how to avoid an insolvency, enforcement of security arrangements, board liability issues and recognition of Chapter 11 proceedings. Our speakers will provide you with a **360° view** and address such key questions among others from a **legal and business perspective**.
