Dear all,

Arendt is pleased to invite you to a webinar session (55 minutes) on Friday 4 June 2021 entitled "**New cross-border distribution regime: 2 months to go. Are you ready?**".

Are you anxious about the CBDF rules, or simply curious? How do these new principles impact the marketing of your funds in Europe?

This session will walk through the various issues raised by the CBDF rules (including applicable timelines, practical implications and the implementation status of the directive). It will cover a range of topics, from the definition of pre-marketing, to the new terms governing marketing passport maintenance and facilities for retail investors, through to harmonising the de-notification process – not forgetting the new marketing documentation requirements and the centralisation of the information at ESMA level.

Please feel free to forward this invitation to any colleagues or clients who may be interested in attending.

*Arendt & Medernach is in charge of the registration. [More info](#) [_](#)
