CSSF circular 22/806 has introduced a comprehensive new regime on outsourcing arrangements. Firms now have until the end of the year to align their outsourcing frameworks with the new requirements.

Arendt is pleased to invite you to a webinar on Tuesday, 21 June 2022 at 12:30 pm that will focus on the practical steps to be taken to adapt your existing outsourcing framework to the new requirements. It will cover mandatory changes in outsourcing contracts, outsourcing policies and procedures, outsourcing governance and management, and many other areas. We will also highlight the most important challenges posed by the new circular.

Combining their legal, consulting and regulatory expertise, Arendt experts [Glenn Meyer](#), [Marc Mouton](#), [Emmanuelle Mousel](#), [Nicolas Deldime](#) and [Astrid Wagner](#) will guide you through an interactive session covering the actions imposed by the new outsourcing regime, drawing on our wealth of practical experience in this area.

Feel free to forward this invitation to any colleagues or clients who may be interested in attending.

Should you have any questions, please contact events@arendt.com.

We look forward to seeing you there (virtually).

Kind regards,

The Partners of Arendt
