We are pleased to invite you to the next "**midi de l'entreprise**" which will take place in the auditorium of Arendt House on **Wednesday 31 January 2024 at 12.30 pm** on the theme : **Navigating the digital legal landscape: exploring recent and upcoming tech regulations for business success.**

Have you heard about the DSA, NIS 2, DORA, DGA, Data and AI Acts? These ground-breaking new rules aim to frame the intersection between law and innovation, in a time that is governed by ever-evolving technologies. What do they cover, how do they impact your business and which business opportunities derive therefrom?

Secure your seat at the forefront of legal evolution – because the future of technology awaits and so does your role in shaping it!

Embark on a journey into the future of laws and regulations in the tech sector with our experts of the IP, Communication & Technology team [Faustine Cachera](#), [Sophie Calmes](#), [Sofia Franzina](#), [Julien Pétré](#) and [Astrid Wagner](#) in a 30-minute presentation, followed by a question and answer session.

If you have any questions, please do not hesitate to contact our Events team ([events@arendt.com](mailto:events@arendt.com)).

We hope to see many of you there and look forward to welcoming you to this "midi de l'entreprise".
