As Europe's leading hub for investments and largest cross-border onshore investment fund domicile, Luxembourg attracts an increasing number of PRC multinational companies, banking and financial institutions, public and private fund managers, investment advisors, etc. which are willing to make acquisitions in Europe via a broad range of tax efficient solutions involving regulated or non-regulated onshore investment structures.

Arendt & Medernach is delighted to invite you to a joint seminar organised in conjunction with the Shenzhen Asset Management Association (SZAMA) intended to provide to managers and advisors with a comprehensive understanding of the structuring of PERE acquisitions in Europe, including the tax aspects thereof, made using of the various vehicles and structures available in Luxembourg.

Pierre Beissel, Partner and Head of Private Equity & Real Estate (PERE) business unit and **Stephane Karolczuk**, Head of Hong Kong Office, will cover the following topics:

- Introduction to Luxembourg and PRC players in Luxembourg
- Overview of Luxembourg investment vehicles
- Luxembourg regulated and non-regulated vehicles
- Investment and distribution in Europe (AIFMD aspects)
- Tax structuring of PERE European investments for PRC based investors

The presentation will be conducted in English and simultaneous translation in Chinese Mandarin will be provided. The presentation will be followed by a Q&A.

The number of seats is limited. Please confirm your attendance by sending an email to HKoffice@arendt.com or call +852 2801 5877.

We look forward to seeing you in Shenzhen.
