Arendt is pleased to invite you to attend a webinar organised in collaboration with ILA (Institut Luxembourgeois des Administrateurs), entitled "**ESG - A director's view**". The webinar will take place on Friday, 8 July 2022 at 9:00 am CET.

ESG has taken the board's agenda by storm. Fast-approaching regulatory deadlines in this area certainly keep the pressure on – but should we not also look beyond them?

Understand the strategic thinking that should guide the transition from conventional asset management and banking activities to those that integrate ESG factors. How is this change of strategy likely to impact decision making or business processes? How will it affect the relationship with investors and other stakeholders (especially for holding and target companies)?

Join us to hear the perspectives of two independent board members.

Feel free to forward this invitation to any colleagues or clients who may be interested in attending.

Should you have any questions, please contact events@arendt.com.

We look forward to seeing you there (virtually).

Kind regards,
The Partners of Arendt
