

Webinar

Tax risk management for asset managers

Invitation

THURSDAY
7 Oct. 2021

4:00 pm - 5:00 pm CET

Webinar via Webex

With BEPS, ATAD, CBCR, DAC,...just to name a few, the pace of changes in international taxation in recent years is unprecedented and creates many challenges and risks.

Asset managers are particularly exposed and have to adapt at the firm and individual level.

Our tax experts have the pleasure of inviting you to our webinar "**Tax risk management for asset managers**" on **Thursday, 7 October 2021**, which will provide a **360° overview of tax risks from a local and international perspective and outline key takeaways**.

REGISTER NOW_

This interactive and industry focused webinar will be presented by **Tax Partner Thierry Lesage**, **Tax Counsel Dr. Philipp Jost**, **Transfer Pricing Partner Alain Goebel** and **VAT Principal Bruno Gasparotto**.

Please feel free to pass on this information to any colleagues who may be interested in attending.

Should you have any questions, please contact events@arendt.com.

We look forward to your participation.

Kind regards,

Arendt & Medernach
