The *Commission de Surveillance du Secteur Financier (CSSF)* has today published guidance on the notification to it by non-EU AIFMs of their intention to market their EU and non-EU AIFs to professional investors in Luxembourg pursuant to article 42 of the AIFM Directive (**AIFMD**). Such guidance is in line with the approach being taken in other EU jurisdictions and is a necessary step to ensure compliance with the law when the transition period ends on 22 July next.

The CSSF confirms that the marketing of such funds will be accepted via a simple information email. This email should be accompanied by the information form which is now available to download on the CSSF website. To access the form directly please [click here](#).

The CSSF has confirmed that no documents have to be annexed to the information form except when the non-EU AIFM is required to proceed with a notification of the acquisition of major holdings and control of non-listed companies within the meaning of article 27 of the AIFMD.

The CSSF furthermore has confirmed that upon notification, the non-EU AIFM may begin its marketing activities. There is no obligation to await a response from the CSSF.

Finally, a new version of the CSSF FAQ document has also been published today (version 7, 18 July 2014) and is available for download [here](#).
