PE-RE Training Day

Objectives

This training session is intended to provide participants with the key concepts of Private Equity and Real Estate fund structuring as well as explanations of the Private Equity and Real Estate fund structuring options supported by practical/concrete examples and case studies.

The full-day session (session a) and b)) consists of 2 separate sessions of 3,5 hours' duration each. It is not mandatory to attend both sessions.

This training will be split in 2 sessions:

- 3,5 hours on the "Luxembourg Toolbox"
- 3,5 hours on "Fund Structuring and key terms"

Content

- a) "Luxembourg Toolbox"
 - + Presentation of the various investment vehicles in Luxembourg: legal forms and regulatory regime
 - + Overview of the PE-RE sectors
 - + AIFMD key concepts
- b) "Fund Structuring and Key Terms"
 - + Overview of the PE-RE Funds key features and typical terms included in the documentation
 - + Case studies
