Dear all,

Arendt Regulatory & Consulting is pleased to invite you to join a 45-minute webinar session to be held on Wednesday 8 July 2020 on "**Management Information – choose to lead rather than endure**".

The session will be presented by [Nicolas Deldime](#), Partner, and [François Jacquemet](#), Senior Manager.

Our experts will come back on what hurts in terms of delegate oversight and fund distribution follow-up at the time where the CSSF requires accountability to investment fund managers.

Our experts will present the features of our new internet-based tool from which management information is administered centrally in order to ease and support risk assessment, documentation and reporting.

You can also forward this invitation to any colleagues or clients who may be interested in attending.

Should you have any questions, please contact events@arendt.com

Kind regards,

Arendt Regulatory & Consulting
