

Christian Heinen

Introduction

Christian Heinen is Partner at Arendt and the Chief Executive Officer of Arendt Investor Services.

Drawing on his leadership experience in the fund and corporate services industry across different continents and in various settings. Christian's role is to lead this agile and fast-growing company through a digital transformation process in order to enhance client experience and to deliver high quality services.

Education

- Degree in Economics from the Université de Liège (Belgium).
- Special degree in Management from HEC Liège (Belgium).
- Executive programmes at the University of Michigan (US) and London Business School (UK).

Previous experience

- Before joining Arendt Investor Services, Christian held various senior positions with large international firms, both in Luxembourg and abroad. His last role was that of Luxembourg Country Head at a large fund and corporate service provider. Among many others, his achievements include successful business transformations in challenging settings, changes of management systems and the design and implementation of growth strategies for the companies he served.

Memberships

- Affiliated Member – Institut Luxembourgeois des Administrateurs (ILA).
