

Gaëlle Schneider

Introduction

After a strong experience within Arendt in investment fund related matters, advising clients on the structuring, creation, organisation and marketing of investment funds, Gaëlle now leads AManco, the AIFM solution of the group, which offers to clients a regulatory platform enabling them to access the European market.

Education

- Master's degree (Magistère) in European business law from the Université Nancy II (France).
- Master's degree in European business law from the University of Sheffield (UK).

Memberships

- Co-Chair of the Conducting Officer Forum meeting at ALFI since May 2022.
