## Camille Richer

### Introduction

Camille Richer is a Senior Associate in the Investment Management practice of Arendt & Medernach where she specialises in the structuring, creation, organisation and marketing of regulated funds (with a particular focus on UCITS and liquid AIFs) and their respective management entities.

Camille has also developed experience in anti-money laundering and counter-terrorist financing related fields and advises clients on AML/CFT obligations.

Camille advises national and international clients, such as banks or fund managers.

### Education

- Camille obtained a Bachelor's in Law from the Faculté des Affaires Internationales in 2016 (France).
- Master's 2 in Law, specialising in International and European Affairs, from the Université de Lorraine in 2018 (France).
- Camille is an Avocat à la Cour and has been a member of the Luxembourg Bar since 2019.
