

Mélissa Vernier

Introduction

Mélissa Vernier is a Senior Associate in the Investment Management practice of Arendt & Medernach.

She advises global asset managers and institutional clients on the structuring and operation of regulated and unregulated alternative investment funds with a wide range of investment strategies (including private equity, debt, real estate and infrastructure) and on related topics, such as Luxembourg corporate and regulatory matters.

Education

- Mélissa has a Master 2 in International Business Law from the University of Burgundy (France).
- She has been a member of the Luxembourg Bar since December 2022 (List II).
