

Alexandre Brajou

Introduction

Alexandre Brajou is a Senior Manager at Arendt Regulatory & Consulting (ARC).

As a member of the Investment Compliance and Risk department, he acquired extensive experience in fund risk management with a particular focus on investment restrictions, quantitative risk metrics and derivatives valuation.

Alexandre now manages the Risk team, providing advisory and other services with respect to a broad range of risk-related matters.

Education

- Alexandre holds a degree in Engineering with a specialisation in Finance from *École Centrale de Lyon*, coupled with a Master's degree in Financial Markets from the *Institut de Science Financière et d'Assurances de Lyon*

Previous experience

Prior to joining Arendt Regulatory and Consulting (ARC), Alexandre was Senior Risk Manager at a leading third-party management company in Luxembourg.
