

## François Jacquemet

### Introduction

François Jacquemet is a Director at Arendt Regulatory & Consulting (ARC).

He has started his career in 2006 within the fund distribution sector, working in management companies and a law firm.

François worked as a legal advisor specialised in investment fund's distribution agreements for two years, before extending its role for three years as company legal team leader, where he developed a strong contract database, managed the cross-border registration services, coordinated board meetings for numerous companies and was in charge of the review of AIF and UCITS related agreements. He handles a series of large clients with worldwide distribution of multiple investment funds/classes and specialises in cross-border registration of UCITS and AIFs around the world as well as distribution matters in general.

### Education

- François holds a master's degree in Private Law from the University of Metz (France)
- A professional master's degree in Public Law from the same university (*Magna Cum Laude*)
