Nicola Losito

Introduction

Nicola Losito is a Director at Arendt Regulatory & Consulting.

Since his arrival at ARC in 2015, Nicola has been particularly involved in the licensing of Luxembourg regulated entities active in the asset servicing business. Specialized in depositary matters, he supports clients in complying with their daily obligations and regulatory duties and provides ad-hoc support such as CSSF license applications and on-site visit remediation.

Education

- Nicola holds a master degree in Banking and Finance from the Luxembourg School of Finance

Previous experience

Nicola started his career in 2000 spending almost 15 years within the UBI Banca Group where he acquired a business and IT expertise in the private and corporate banking by delivering operational and regulatory projects. He also managed the operations securities unit and took the lead of the organization department.

Memberships

- Nicola is an active member of several ALFI working groups as well as of the EFAMA task force on Funds Reporting Requirements. He is also a regular speaker at Arendt Institute
