Quentin Gillois

Introduction

Quentin Gillois is Member of the Management Committee at Arendt Investor Services and leading the Fund Administration Services department.

Quentin is a seasoned professional specialised in alternative investments, and has gained experience in audit, advisory, valuation and risk across all major asset classes (Private Equity, Real Estate, Debt, and Infrastructure), as well as hedge funds, with Big Four firms and large alternative asset managers.

He is serving as well as Independent Director in several boards of alternative investment Funds and SPVs for large alternative assets managers.

Education

Quentin holds a Master's in Finance and Audit from ESCEM, the École Supérieure de Commerce et Management (France).

Previous experience

Before joining Arendt Investor Services, Quentin was the Head of Alternative Investments Oversight and Valuation for a large alternative investment asset manager.

Memberships

- Member of the Royal Institution of Chartered Surveyors (RICS)
- Fellow member of the Association of Chartered Certified Accountants (ACCA)
