Aurélia Steffanetti

Introduction

Aurélia Steffanetti is Accounting Senior Manager in the Corporate Services department at Arendt Investor Services in Luxembourg, leading a team of accounting professionals.

Aurelia serves a portfolio of private equity, real estate, securitisation vehicles and private wealth clients.

In 2024, she also serves as board member of various clients from private equity and real estate structures as well as securitisation vehicles.

Education

- Master's 2 in Audit and Management Control from the University of Metz (France)
- Master's 1 in Economics and Management from the University of Strasbourg (France)
- Higher National Diploma in Business Management and Administration from the University Institute of Technology of Longwy (France)

Previous experience

In 2012, she started her career as an auditor in the industry sector in France.

Prior to moving to Arendt Investor Services in 2018, she worked for three years as accountant for a service provider in the private equity and real estate sector.
