

Daniel Héctor Lorca

Introduction

Daniel Héctor Lorca is Senior Manager in Corporate Services at Arendt Investor Services.

He has a wide range of experience in private wealth, private equity, real estate and fund structures, for which he acts as director/manager on the boards of Luxembourg-based entities.

Daniel is specialised in setting-up, day-to-day management, restructuring and liquidation processes of corporate structures and entities for Private Equity and Real Estate clients.

Education

- Double Master's of Laws and Legal Practice (LL.M.) from Garrigues (Spain)
- Executive Master of Business Administration (EMBA) from EAE Business School (Spain).
- Qualified lawyer in Spain.

Previous experience

Prior to joining Arendt Investor Services, Daniel gained experience working in the corporate department of a well-established Professional of the Financial Sector in Luxembourg, assisting mostly private equity and real estate firms with a focus on US, European and South American markets.
