

## Ludovic Morciano

### Introduction

Ludovic Morciano is Senior Manager Accounting at Arendt Investor Services since 2015, in the Directorship & Governance Services department, where he is specialized in accounting for private equity and real estate structures.

### Education

- Bachelor in accounting and management from the Université de Nancy-Metz (France)

### Previous experience

Before joining Arendt Investor Services, Ludovic started his professional career in Luxembourg in 2005, and he was working, for 10 years, as senior accountant & treasury analyst for a large service provider company, being responsible for accounting and intra-group financing.
