

An abstract geometric pattern composed of thin, light blue lines that intersect to form various triangular and polygonal shapes, resembling a stylized network or a modern architectural design.

Pierre-Philippe Lorrain

Introduction

Pierre-Philippe is a Senior Manager in the Governance Services department at Arendt Investor Services. He is mainly responsible for a portfolio of regulated entities and unregulated investment funds classified as UCITS and AIFs.

He has over 15 years' experience in the Luxembourg investment fund industry and specialises in company secretary services and corporate governance proceedings.

Pierre-Philippe has strong expertise in a broad range of regulated structures, such as management companies and UCITS vehicles.

Education

- Master in Law from the Université Paul Verlaine – Metz (France).

Previous experience

Before joining Arendt Investor Services in June 2021, Pierre-Philippe worked for several banks in Luxembourg, where he gained a deep knowledge of banking and fund governance, including executive committee matters.
