

Valentin Poncin

Introduction

Valentin Poncin is a Senior Manager in the Corporate Services department at Arendt Investor Services. He's experienced in corporate and corporate governance matters, and he oversees a portfolio of companies for different types of clients, such as private, real estate, institutional and corporate.

Education

- Bachelor's in Foreign Trade from HELMO (Haute Ecole Libre Mosane) in Liège (Belgium).

Previous experience

Valentin started his professional career in 2012 with a well-established Professional of the Financial Sector in Luxembourg. His international exposure and work with private, real estate, institutional and corporate clients enabled him to gain experience and knowledge in a wide variety of corporate matters. He also acted as board member for several holding companies.
