Dana Yessimova

Introduction

Dana Yessimova is a Senior Associate in the Corporate Law, Mergers & Acquisitions and Private Clients practices of Arendt & Medernach. She specialises in corporate law, transactional business law, wealth structuring and family governance.

Dana advises major international and domestic companies on structuring and financing international transactions, including mergers, acquisitions, reorganisations and refinancings. She also assists private clients, family offices and entrepreneurs, both at national and international level, with global wealth structuring and relocation.

Education

- Dana holds a Master's in International Private Law from the University of Strasbourg (France).

Memberships

- She is a member of the Luxembourg Bar.
