## Introduction

Nevine Elsherif is a Manager in the ESG & Sustainability team of Arendt Regulatory & Consulting.

She has been advising clients, especially asset managers and banks, on ESG and sustainable finance matters since she joined Arendt Regulatory & Consulting in 2021. Her expertise covers a wide range of services, from guiding the development and implementation of ESG strategies to advising on the latest ESG regulations and preparing ESG reports and disclosures.

Nevine also leads the development of two innovative Arendt online solutions which automate the ESG due diligence process and the production of SFDR/ESG reports (incl. EET).

In addition to her technical expertise, she is also an accomplished training facilitator, having delivered numerous engaging sessions on ESG topics to compliance and product teams.

## Education

- Nevine has an MSc in Economics and Finance from the University of Luxembourg (Luxembourg), with Major in Sustainable Finance.
- She also has an MSc in Finance from the American University in Cairo (Egypt), with Major in Corporate Finance, and a BSc in Economics from Loughborough University (UK).

## Previous Experience

- Prior to joining Arendt, Nevine acquired expertise in ESG monitoring and evaluation while working at a multilateral European institution. She was also a researcher and faculty member, teaching economic studies to undergraduate students.
