Rocco Mezzatesta

Introduction

Rocco Mezzatesta is a Manager at Arendt Regulatory & Consulting.

He advises clients, both asset managers and corporate, on strategic decisions that range from defining ESG priorities to the practical implementation of sustainable investment strategies. He also advises clients on preparing sustainability-related disclosures, including non-financial reporting, and integrating sustainability risks into internal processes. In addition, he leads training sessions and workshops on a variety of ESG-relevant topics.

Education

- He has an LLM in Corporate & Financial Law from the University of Glasgow (UK).
- He has a Master's in Law from the University of Parma (Italy).

Memberships

- He was a member of the Italian Bar Association from 2018 to 2021.

Previous Experience

- After starting his law career working at law firms in Italy, Rocco worked in the advisory sector, including ESG matters, before joining Arendt Regulatory & Consulting as a sustainable finance advisor.
