

Nicolas Bouveret

Introduction

Nicolas Bouveret advises global asset managers and institutional clients on the structuring, formation and marketing of Luxembourg investment funds, in particular private funds set up as alternative investment funds (AIFs) under AIFMD (partnerships, RAIFs and SIFs) as well as alternative UCITS. His practice includes mainly private equity funds, private debt funds and hedge funds.

Education

- LL.M. in International Taxation from New York University (2008).
- Law degree from the Université Catholique de Louvain (2005).

Memberships

- ALFI.
- LPEA.
- Luxembourg Bar since 2011.
- New York Bar since 2009.

Previous Experience

- In 2013-2014, Nicolas was seconded to the New York office of Arendt where he assisted US and global asset managers in their European fundraising initiatives by setting up Luxembourg investment funds.
