Nathalie Sorensen

Introduction

Nathalie Sorensen is in charge of Business Unit Operations at Arendt. She focuses on managing of the fee earners support teams and maintaining the high level of services to clients.

Education

- 1993 – Graduate of ISG Institut Supérieur de Gestion in Paris.
- 2001 – Participated in a training programme of Kellogg's Northwestern University in Chicago with specialisation in Investment Banking.

Previous Experience

- Prior to joining Arendt & Medernach, Nathalie was working for more than 25 years in one of the leading French Banks. Her last position was focused on leading big strategic transformation programs for the General Secretary of the Bank.
- She also initiated the creation of the position of the COO on a trading floor. Before that she started as a Business Controller in the Industrial field.
