

Anissa Mediane

Introduction

Anissa Mediane is a Senior Manager at Arendt Investor Services. She currently heads the Client Onboarding Department, where she oversees the seamless integration of strategic clients into the firm's ecosystem. As the primary liaison for key stakeholders, she ensures a smooth, efficient and client-centric onboarding experience.

With over 17 years of experience in the fund industry, Anissa brings in-depth expertise in real estate investments, operational leadership, and client relationship management. Her career includes holding directorships in management companies and European SPVs, reflecting her broad expertise in client relationship management and business implementation.

Education

Education

- Bachelor's in International Business from the University of Metz (France).
- Bachelor's in Business Administration from the University of Metz (France).

Previous Experience

- Before joining Arendt Investor Services, Anissa served as Vice-President of Onboarding at a Tier 1 investor services provider. Prior to that, she spent over 10 years leading the Acquisition & Disposal department at the world's largest alternative investment management company, where she gained considerable expertise in managing complex transactions and driving operational excellence.
